

PRODUCT INFORMATION

MUDD THE FINISHER

DESCRIPTION

MUDD THE FINISHER SILICONE SEALANT is an ideal sealant for jointing tiled walls and floors in interior and exterior locations as well as gap filling and sealing around showers, baths, sinks and worktops. Do not use for aquariums.

Available in a range of colours to match MUDD GROUT WITH CLOUT

This product is available in 12x310ml.

APPLICATION

1. Ensure all joints are clean, dry and free from soap or grease.
2. Remove nozzle and cut off tip of the cartridge, leaving the thread intact. Screw on nozzle and cut at 45°, to give width of seal required.
3. Apply a steady bead of silicone using a sealant/caulking gun to the area required.
4. Smooth the silicone using a wetted spatula. The sealant skins in 10 minutes at 4mm depth and will be fully cured in 24 hours. Any excess can be removed with a trimming knife.
5. Once opened contents can remain usable for up to 3 months providing the nozzle is sealed with the end-cap.

NOTE

Not suitable for use in aquariums.

MUDD THE FINISHER must not be used on sensitive surfaces e.g. marble, which may react with the acetic acids released during curing.

COVERAGE

12.5m x 5mm x 5mm bead approx.

STORAGE & SHELF LIFE

12 months in normal dry conditions. Store between 5°and 25°C.

Please refer to the Material Safety Data Sheet for further information on health and safety issues.
